Hello good morning everyone I hope you cool back to my side am also fine. My name is THEOBALD THADE and am the contestant of the vice president in year of 2020/2021.So am in front of you to request you to choose me so that I can bring changes to our university .I got courage to take this position so that I can help you in the following

First I will make sure there is no sex corruption in education at our university. Since this is a common problem that are facing many girls due to their different problems such they didn't do some test teacher force them to sex. Also if a teacher want a girls she must be with him so that she afraid to fail purposely.so if I got a chance I will abolish this.

2. My second point is that I will make sure you my fellow students you receive your meals and accommodation money early and immediately, since there is other who sign their boom early but their more are sometimes delayed in their account so if you choose me I will make sure you get on time.

3. My third point is that I will make sure there is quality and quantity food in all cafeteria because there is other cafeteria such as magufuli hostel and coict hostel their food it's too bad. So if will be your vice president I you will eat high quality food.

4. My fourth point I will make sure illegal actions such as stealing are not happening at our university. I will corporate will auxiliary so that we can totally prohibit stealing actions at our university since many students are complain on their loss of property in hostels even in main campus.

5.My fifth point is that I will support sport day in every last Sunday of the month they will be sport bonanza .Since sport is act as exercise and people do it for leisure and can make money.so I will put emphasis on sports and games.

6. Also in health sector I will make sure you leave good health services and other social services such electricity. please vote for me.

Thank you in advance. I hope u will vote for me and I won't let you down I will do accordingly.

LET SOMETHING SURVIVAL
